Australian Services Union
Victorian Authorities & Services Branch

Introduction >>

The branch has not had a policy to consider the numerous requests received from a variety of organisations seeking monetary donations. The practice has been for Branch Executive to consider each request prior to commitments being made. The policy aims to establish guidelines acceptable to Branch Executive when considering requests.

title: branch executive donations

Donations made by Branch Executive

Proposed policy

1. The branch regularly receives requests for donations from various organisations.
2. Funds are allocated within each annual budget for donations to be made to worthy appropriate organisations.
3. Branch Executive will consider making a donation to organisations that meet or relate to the following criteria:
 - The organisation shares the values of the trade union movement;
 - The organisation is committed to collective bargaining with its employees;
 - The organisation is community minded and environmentally conscious;
 - The organisation is a registered charity and can provide an ABN to the union.
 - That all requests must be in writing on official letterhead an outline what the donation would be spent on.
