## What to do when contacted by the Local Government Inspectorate (LGI)

### ASU members

The ASU will fully support officials and members when contacted or investigated by an LGI Inspector.

When contacted by an inspector, members must tell them that they will seek union advice and that they will call them back.

Members should then immediately call the ASU contact centre on 1300 855 570 or an organiser.

The ASU official will then work out the appropriate course of action depending on the situation.

### Non-Members

Non-members **ARE NOT** supported by the ASU.

They will have to pay for their own legal advice and support which could cost thousands of dollars

This is in accordance with the ASU membership policy.
